### Who can come?

- Appleseed is very family friendly. We are working with firearms so a level of maturity is expected. Young shooters need to be able to charge their own magazines and manipulate the bolt by themselves.
- Everyone needs to hear the story of April 19th, 1775 and the start of the American Revolutionary War. It is a day extraordinary men and women stood against tyranny and gave us the gift of Liberty. Come learn about your heritage as an American—as a Rifleman!
