

In 2017, **70,237** people died in opiod overdose deaths in the USA.

In 2017, **37,133** people died in motor vehicle crashes in the USA.

In 2017, **10,982** people died by guns in homocides in the USA.

Outlaw illegal drug useage?

Oh wait, **we already do!**

Outlaw drunk driving?

Oh wait, **we already do!**

And by some rational, you think **lawful guns & gun owners** are our biggest problems?
