Fascinating article accusing M. Stutzman of unethical practices. Well worth the read. If you follow the argument, it follows that building contractors have would have no ethical grounds for saying no to Hitler if he asked to hire them to build Auschwitz. Even if the customer is going to use your business service to do evil, you still must sell them your product.

Washington State attorney general has filed suit against Eastern Washington Florist Barronelle Stutzman because she believed that making floral arrangements for a homosexual wedding was something she couldn't do because of her relationship with Jesus Christ. Read the article below.

http://seattletimes.com/.../localnews/2020743969_floristlawsu...

State sues florist over refusing service for gay wedding

The state attorney general has filed suit against a florist in Eastern Washington, claiming her refusal to provide floral arrangements for a gay couple's wedding amounted to discrimination.
